3 It will be a pity to turn Mr Kunnilla adrift. He lost the chance of getting a permanent job elsewhere by his accepting a temporary appointment here. The first vacancy should be given to him, if the Senior Surgeon cannot arrange to retain his services in the Medical or Sanitary Deptt. Mr Kunnilla is spoken of as a good physician

4 Yes. He should be kept on. Thank once suggested that a reserve of 8 Hs should be maintained & that the cadre should be increased. Mr K can be easily absorbed, for example in the vacancy caused by the retirement of Mr Wade.

Sir,

I have the honor to report Mr. Kuppusamy Pillay was relieved of his duties on the Marikanave project on (The date will be intimated in due course) as his services are no longer required there. He is now on privilege leave which will expire on (The date will be intimated in due course) The consequence is that one of the two temporary Sub Assistant Surgeons has to be dispensed with as per Government Order No. 10226-8/Med(7-06)-15 dated 3-5-1907. Their names are Mr. Krishnamurti Rao, B.A., L.M. & S., (new Regulation) and Mr. Kuruvilla, L.M. & S., The former is about four months longer in service than the latter, he is a graduate in arts, subjects being Physics & Chemistry, and an L.M & S under the new regulation which means that while he only took the L.M & S., degree he went through the entire course for the degree of M.B. & C.M. His vernacular is Canarese. They have both done what was required of them fairly well since joining the Service in their temporary capacity. If either has any special claim to be retained it is Mr.Krishnamurti.
